

## Aerco helps BAE Systems

### New Franchise

Aerco has been appointed as a UK franchised stocking distributor for ITW Switches.

ITW Switches UK designs and manufactures a broad range of standard switch and switch panel assembly products including push-button, rocker, slide, rotary, snap-action and sealed switches supplying the automotive, aerospace, military and control and instrumentation markets.

Aerco will stock and supply the full range of Push button switches and also stock the ITW ERG Components range of dual in line switches.

The new range of ITW ActiveTouch vandal-proof switches and keypads that use patented touch-sensitive technology to bring a new level of durability to switches, sensors and control systems will figure prominently in the Aerco portfolio.
