Franchised Assembly

TE connectivity

Deutsch - Pattern 602 circular connectors

TT Electronics

ABCIRP/ABMP - Circular rail connectors
AB05 - Circular military connectors
MK35/ABAC - Marine/military circular connectors

smiths interconnect

HPD/HPF/HPH - Rectangular PCB connectors
HBB - High powered circular connectors
KA series
Rectangular PCB connectors

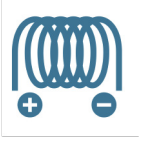

In-House Assembly

Fans
Lead length adjustment
Crimping & fitting connector housing, Electrical testing

Connector Modification in accordance with customer specifications

Solenoids
Modification in accordance with customer specs

Customer Special Requests
- Switch modification
- Tin dipping
- Electrical testing to specified standards

Value add services

Kitting
Custom labelling inspection under magnification (photography available)

UL Approved re-spooling
Fully traceable (paperwork supplied upon request)
ISO9001 & AS9120
Custom reel lengths available

CallOff Orders
- Order quantity for year
- We hold the stock
- You CallOff the order as required

Technical Support
In-house tech support with the design and selection process
